Dedication

"Pleasure I admire, but work I love."

These words most fittingly describe Miss Kathryn Timme, social science teacher at Jones since its opening. To this she also added the responsibility of being the first sponsor of the Gauntlet for over four years and later, sponsor of the Talon for three years.

Her fellow teachers enjoyed her friendship and respected her determination and zeal. A student at the University of Houston working on her M.A. Degree, she, nevertheless, found time to teach her classes and manage the yearbook efficiently.

Those students who knew Miss Timme will always value the ideals she inspired. In their memories she will always remain an excellent teacher, newspaper and yearbook sponsor, and above all, a vivacious and cherished friend.

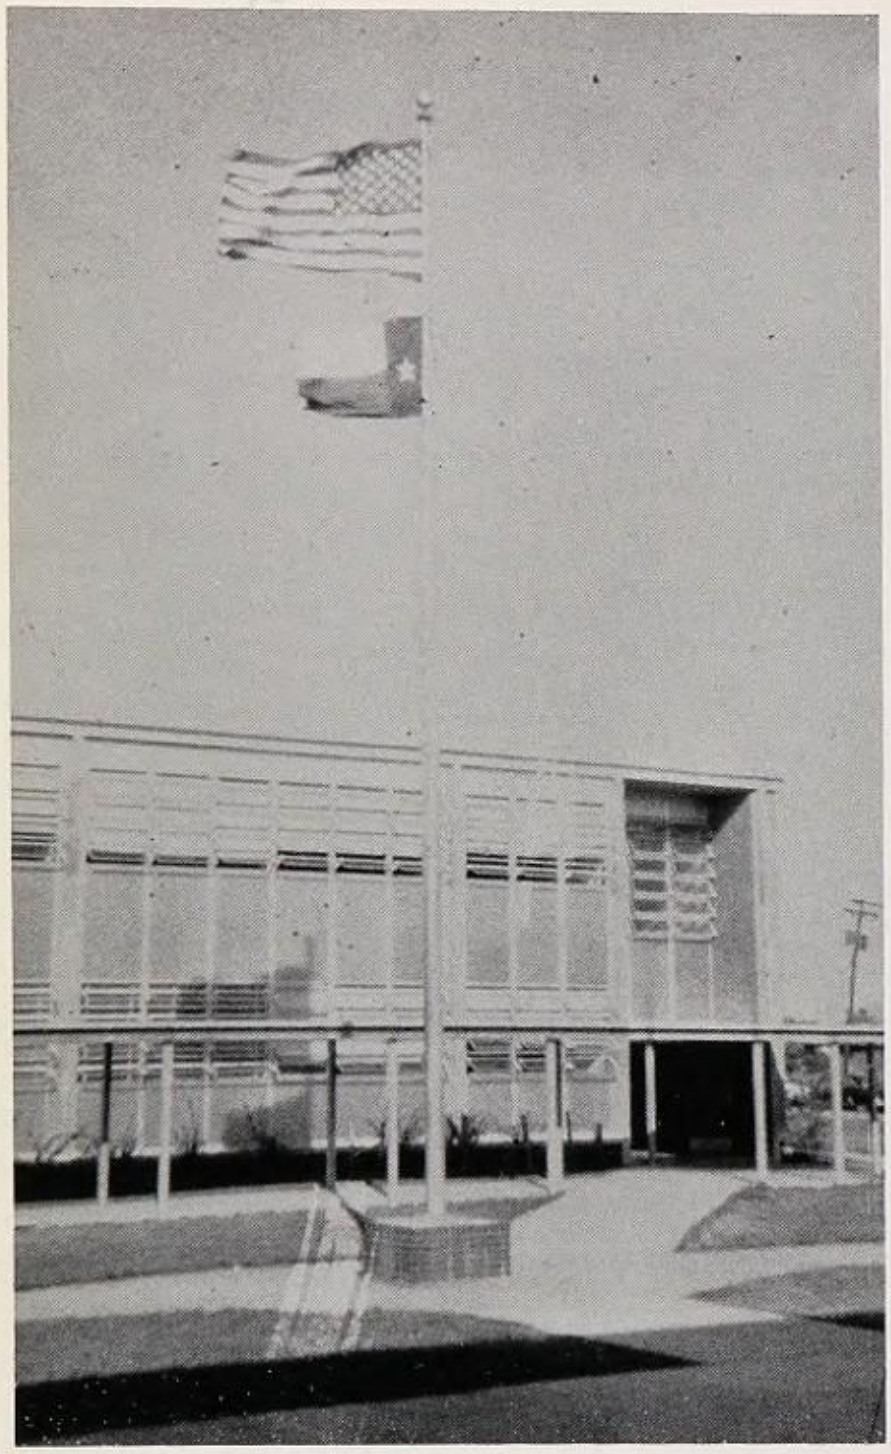
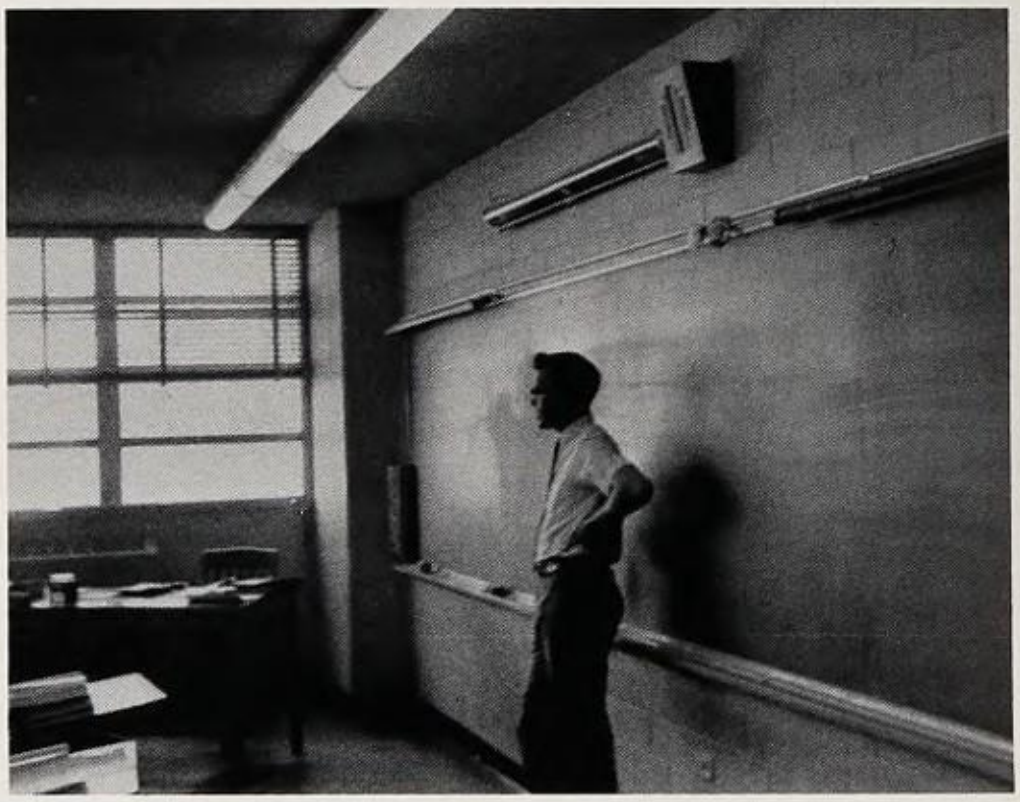
ACTIVITIES

What Makes a Day?



The first day, students await their new schedules and their friends they have not seen during the summer.



Mr. Murphy instructs his civics class on the fundamentals of our democracy.

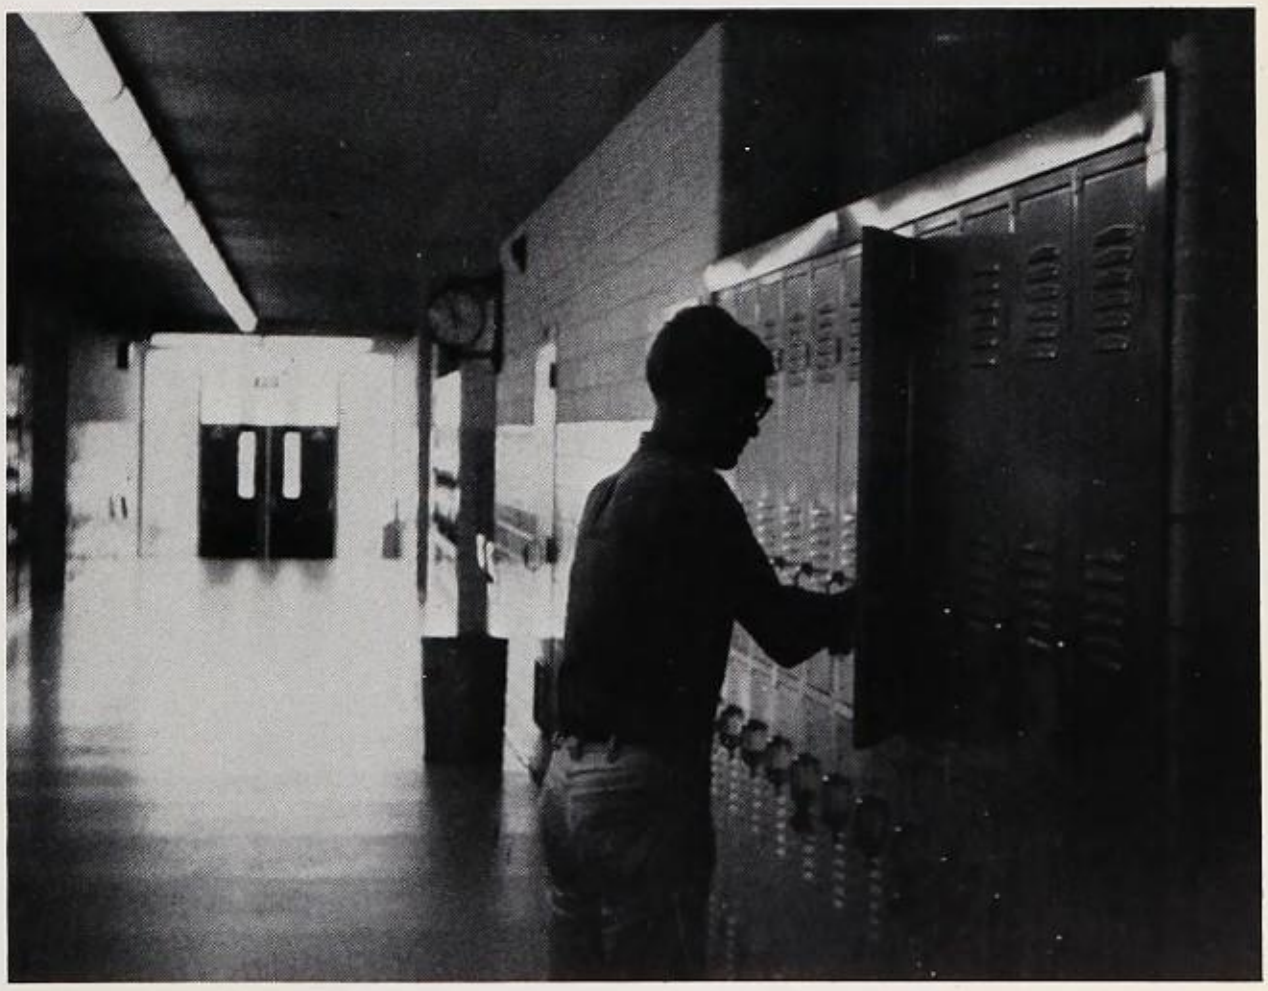
After school the basketball team sells cokes to thirsty Falcons.

During lunch, students find time to discuss their day at school and also receive a break before beginning their afternoon studies.

The cafeteria also serves as a study lab for students.

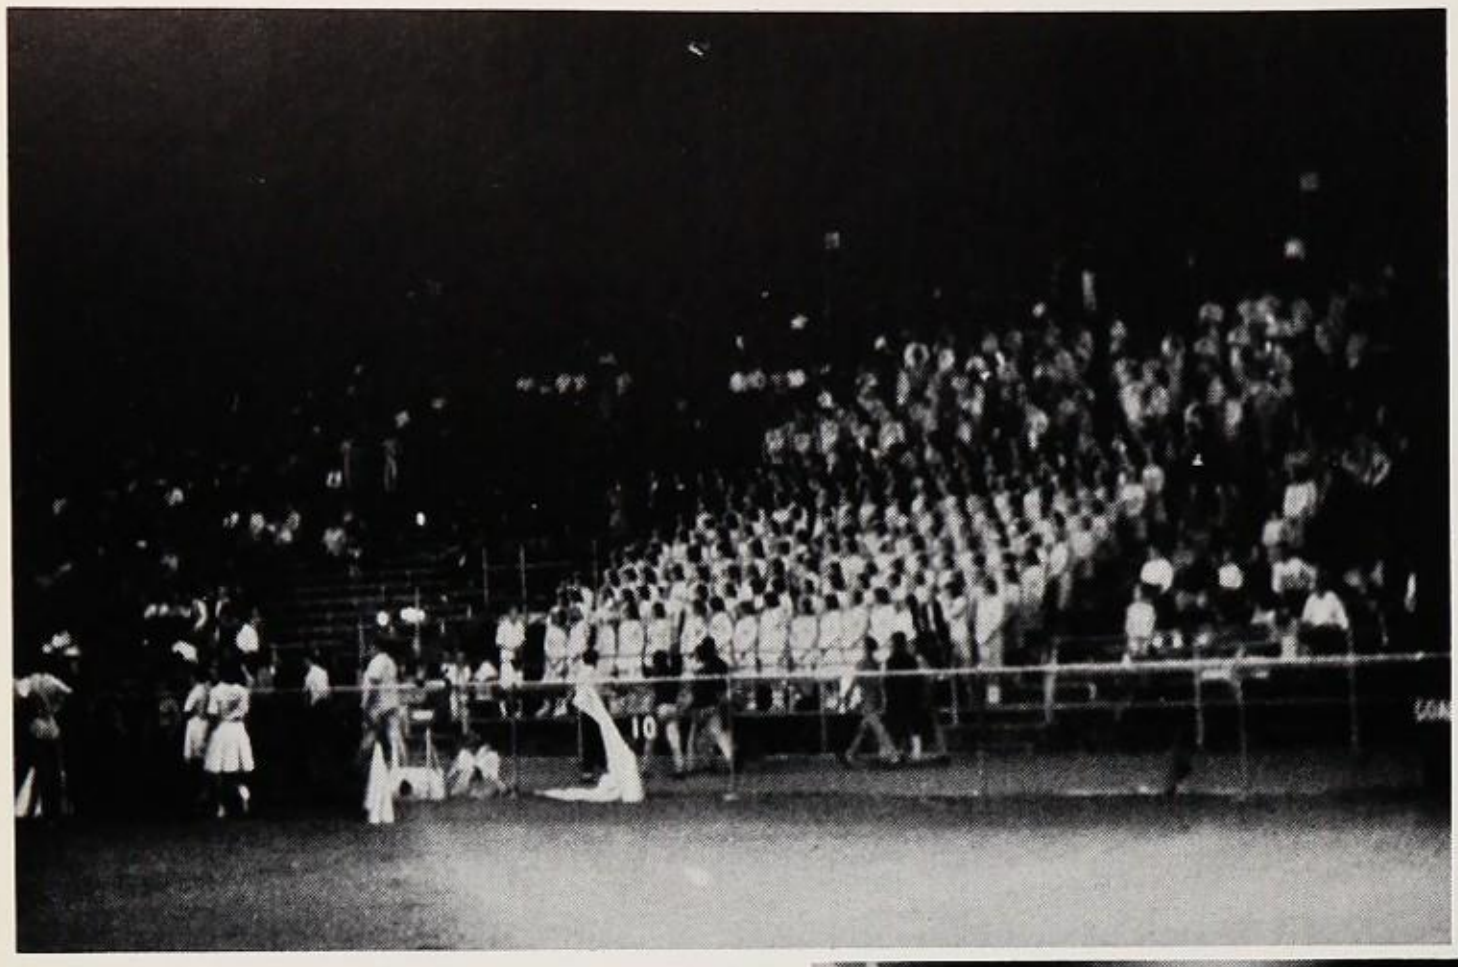
After school, students await buses and their rides by the shops.

Seven Long Hours



As the first day comes to a close, a dark silence settles over the empty halls.

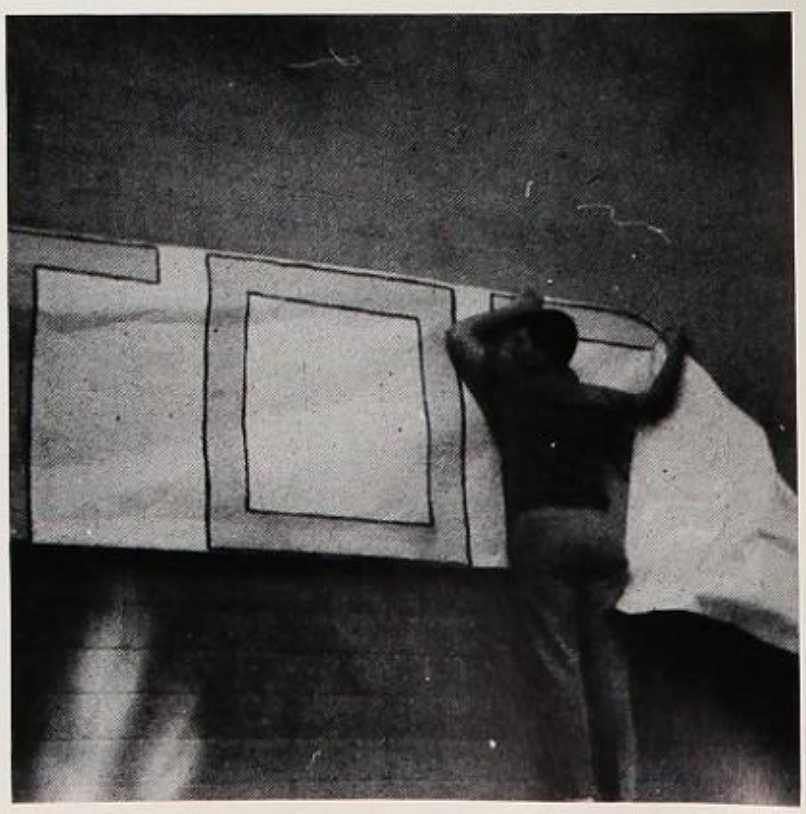
Various School Organizations Prepare



An excited crowd watches the Big Falcon Eleven.

"Victory, Victory, VICTORY!" yell the Falcon Cheerleaders.

The Jones team breaks through the Co-op victory line at the start of the Baytown game.

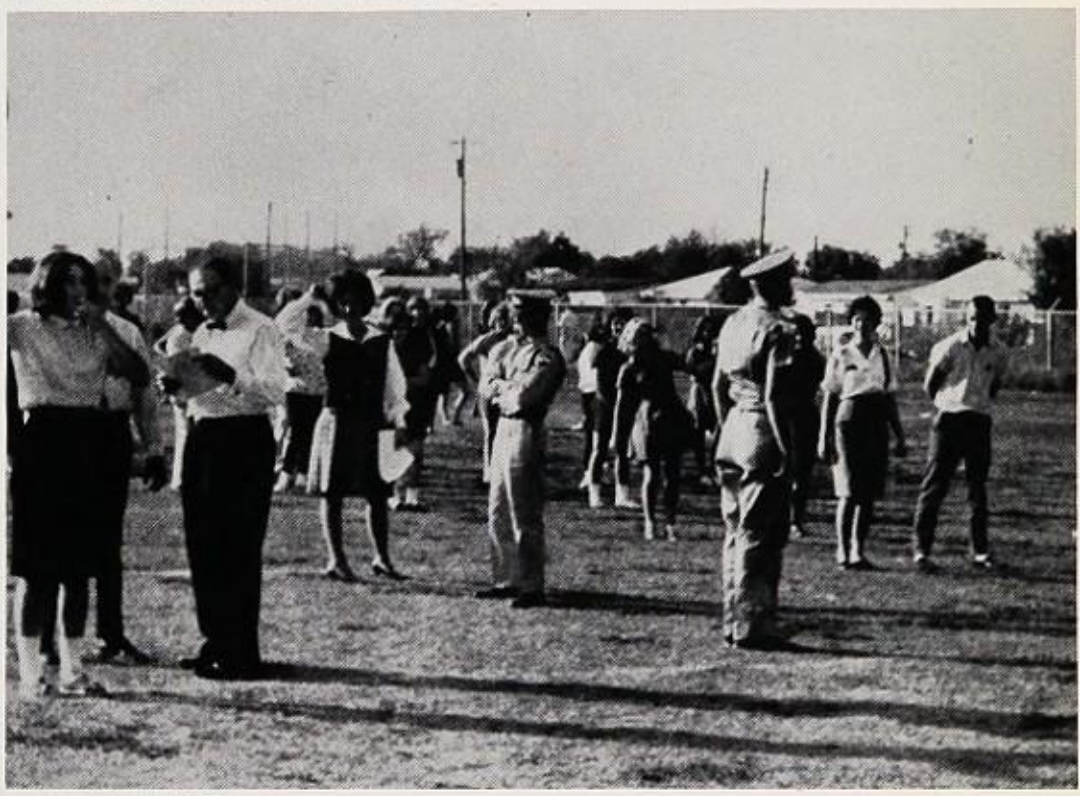


J. C. Medeiros helps the Co-ops by putting up a Victory poster.

for Football Games and the Kickoff Dance

The Jones Band stands at attention, ready to go on the field.

Annu Al



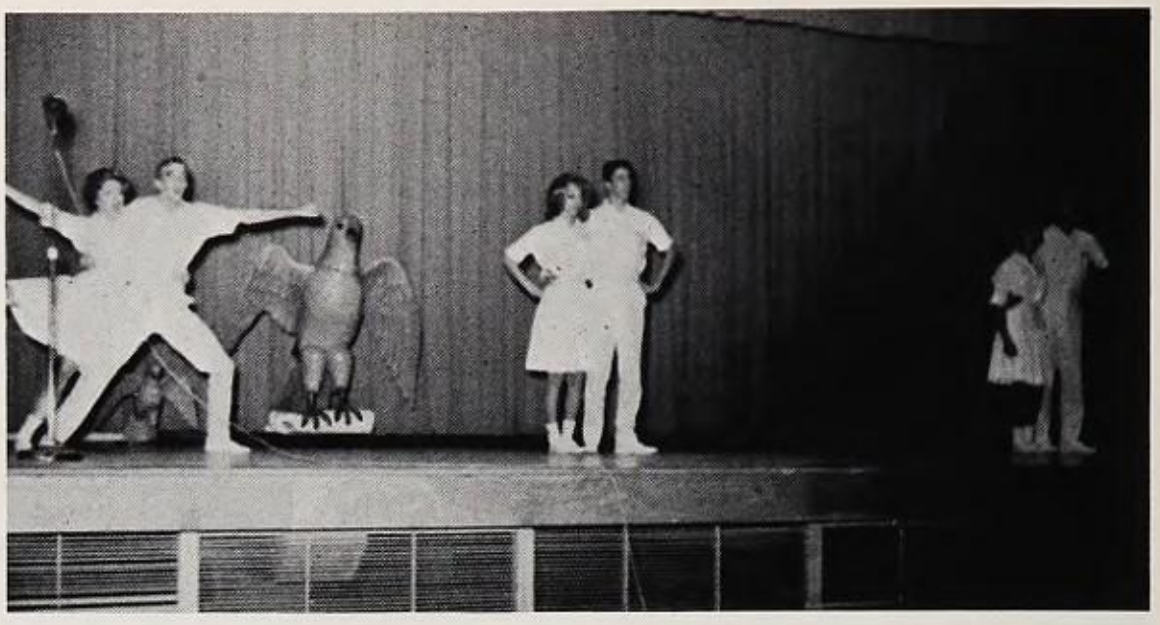
Members of the band, ROTC, Gauntlet staff, and Commodores practice together for Homecoming.

Susan Myers, Linda Eidman, Karen Anthony, Sandra Garcia, and Patty Rees tape a poster to their bus, bound for Port Arthur.

Students enjoy the annual Kick-off Dance.

Pep Rallies Bring on Enthusiasm

Loyal Jones students sing our school song.

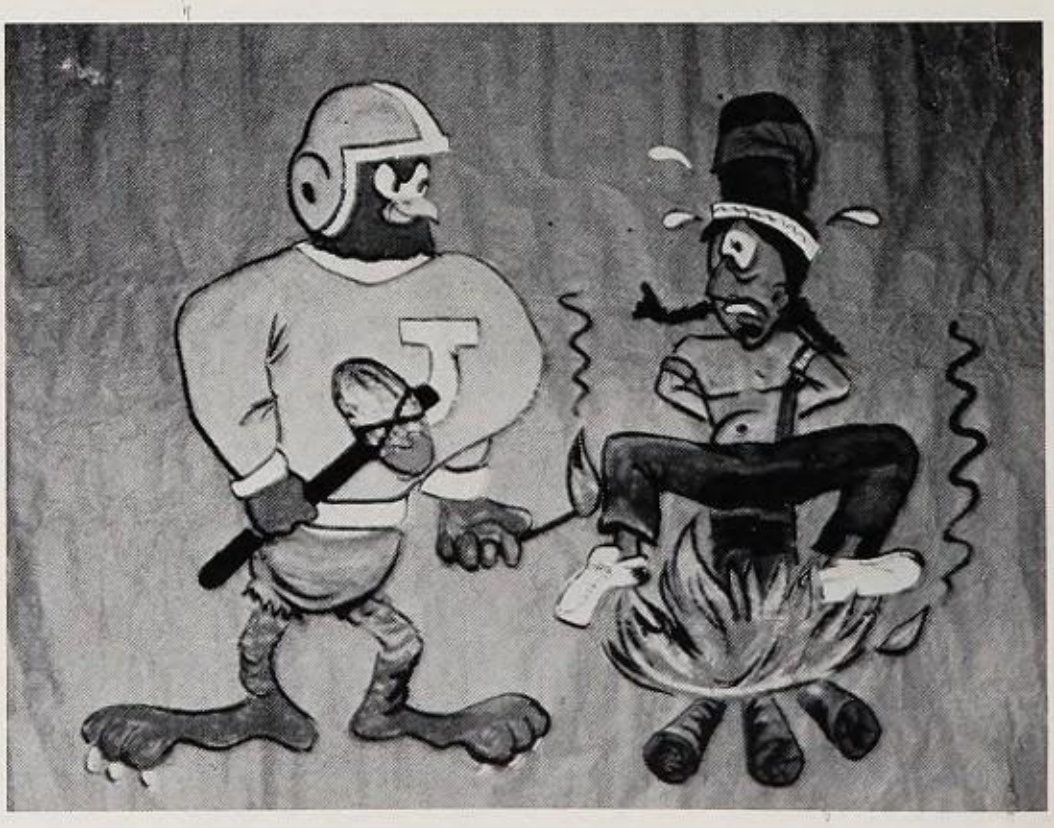


A victory yell is given by the Falcon cheerleaders: Linda Duke, Mike Bryden, Loanne Till, Johnny Busey, Leslie Murdy, and Bob Steffek.

"Hey, y'all, do you think we'll get hired on Bourbon Street?"

Oh, boy, just what I wanted . . . a cardinal voo-doo doll.

Another crazy pep-rally skit.



Look's like our Falcon's burning a Redskin at the stake.

For Our Football Games

"Gosh, Loanne, who taught you to dance?"

"What's the matter? Does she have a slippery back?"

"Two bits, four bits, six bits a dollar . . ."

Unfortunately, the bus service for our out-of-town games leaves much to be desired.

Almost everyone attends the pep rallies!!

Homecoming Spells Excitement

The Play, "Our Hearts Were Young

Emily (Jobeth Williams) and Cornelia (Chris Swenson) discuss their antique bed, originally owned by King Louis XIV.

"Our Hearts Were Young and Gay," presented by the Plume D'Or Players, was the story of two young girls, Emily Kimbrough and Cornelia Otis Skinner, on their first trip to Europe. It was based on the book by the same title. On the voyage they encountered many adventures, from bedbugs in their King Louis XIV bed to French Romeos in Paris who believed they were wealthy Americans. The play was directed by Miss Sally Barbay, drama teacher, and it was presented on December 11 and 12. Sharon Muenchow provided the piano accompaniment for the entire production.

Cornelia gives her "Elegy on the Death of a Mad Dog" to the acting teacher (Norman Marney).

Cornelia awakes one morning in Paris, unsuspecting that during the night she has been sharing her bed with bedbugs.

Pierre and Phillipe sing, "We'll Marry Wealthy Americans," not knowing that the Americans are not wealthy, but only on allowances. Meanwhile the Americans are thinking that they will be marrying wealthy Europeans.

Elise (Karen Carsh) and Francine (Iris Osmond) snag Pierre and Phillipe.

Elise has Pierre hooked.

Apparently, Pierre and Phillipe find other interests besides Emily and Cornelia.

The entire cast sings the finale, "Our Hearts Were Young and Gay."

High Seniors Enjoy A

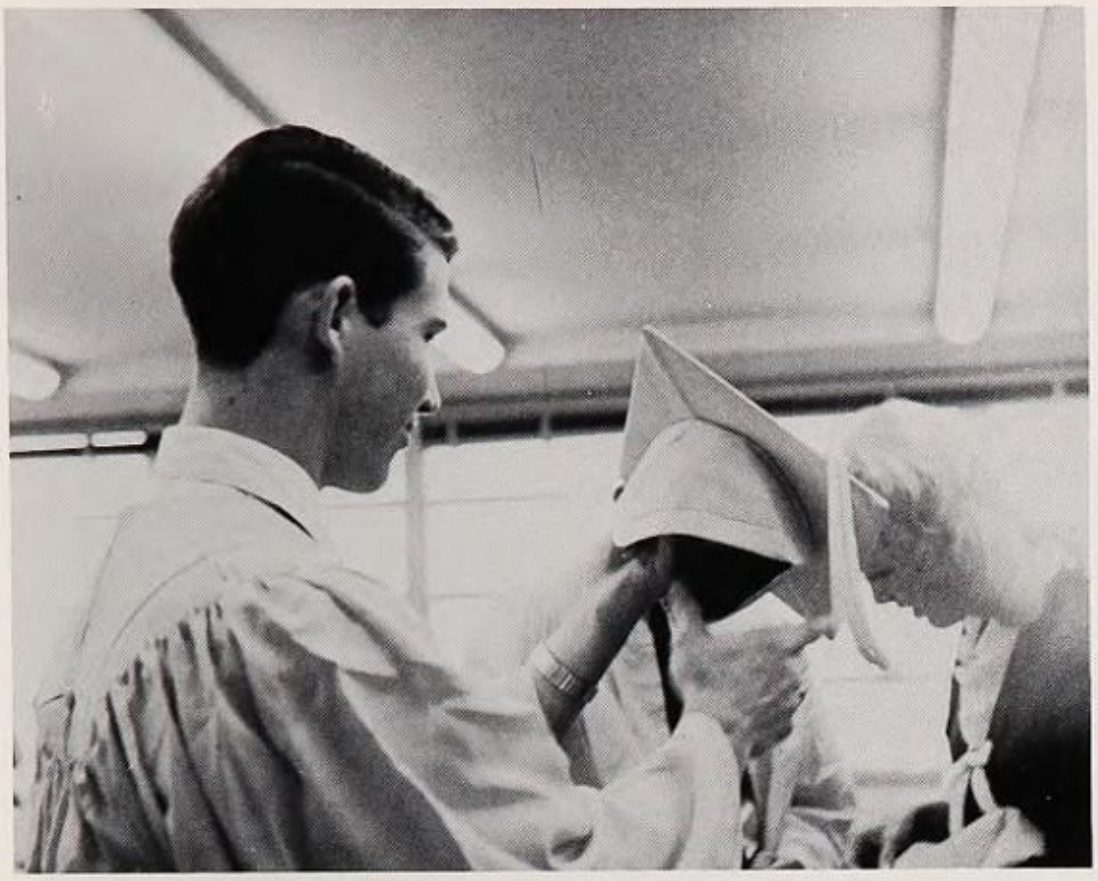
For the mid-term graduation class, there were many memorable events. One was the Senior Prom with its hilarious after-prom party. The seniors also enjoyed their picnic at Quillian Memorial Center; and on Senior Day, all high seniors wore their graduation robes. The highlight of the semester for the high seniors came with baccalaureate at Woodridge Baptist Church, and commencement at First Methodist Church.

At the after-prom party, an enthralled crowd enjoys the entertaining skits. (right)

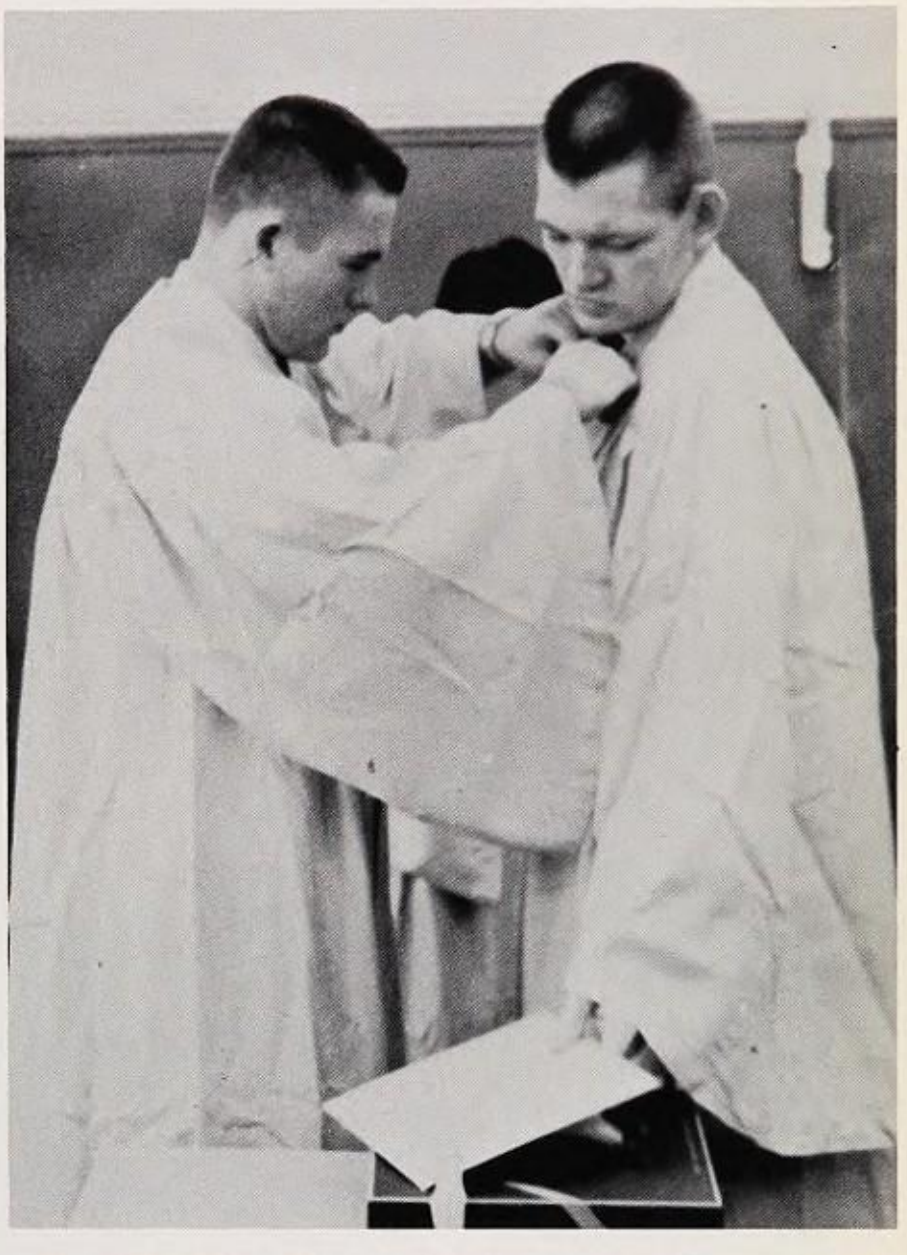
"Ever get that exhausted feeling?"

"What's the matter? Haven't you ever seen anybody eat a deviled tadpole sandwich?"

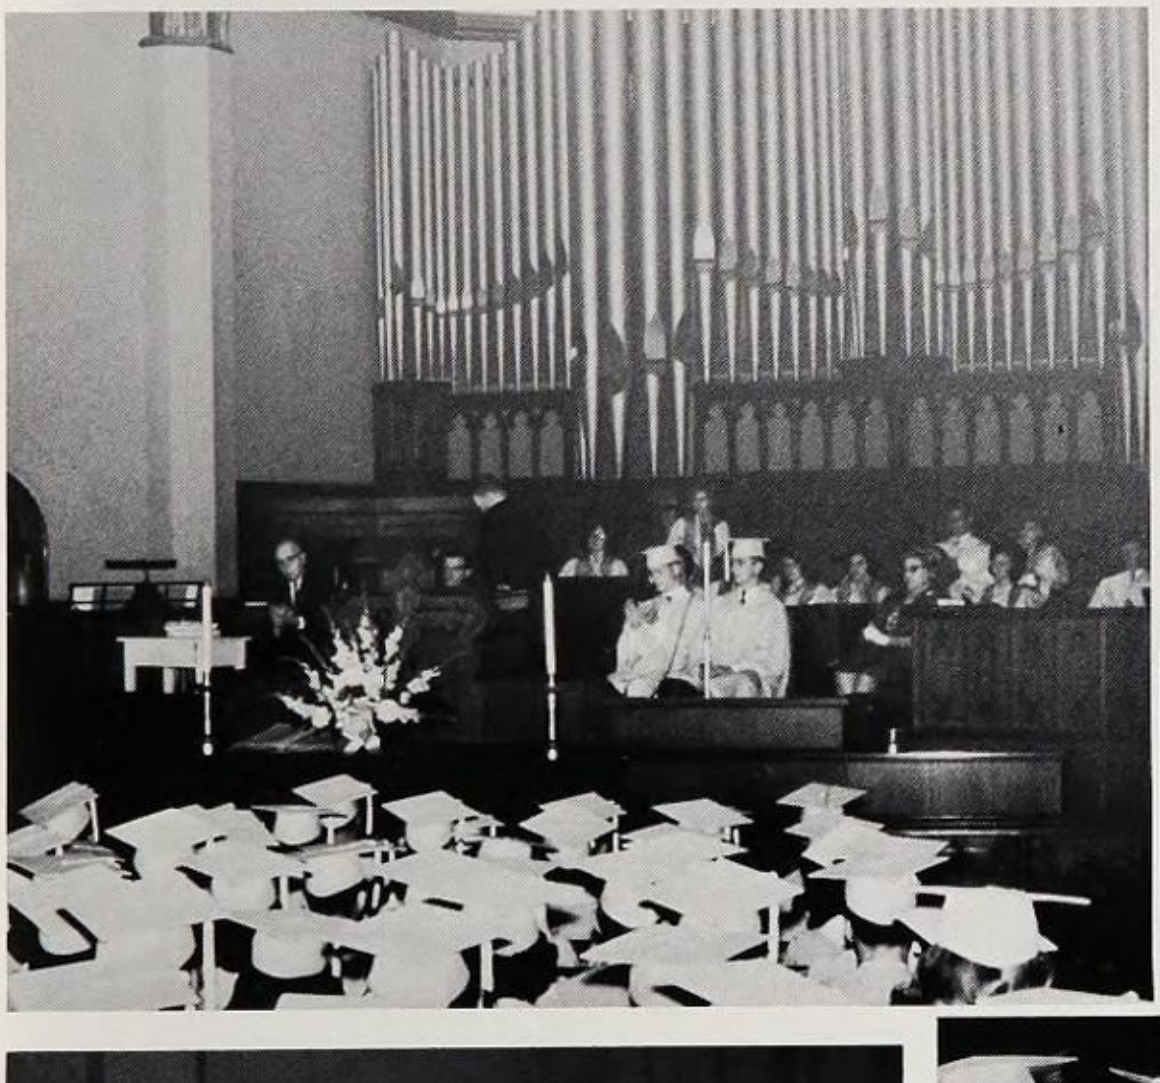
Whirl of Graduation Activities

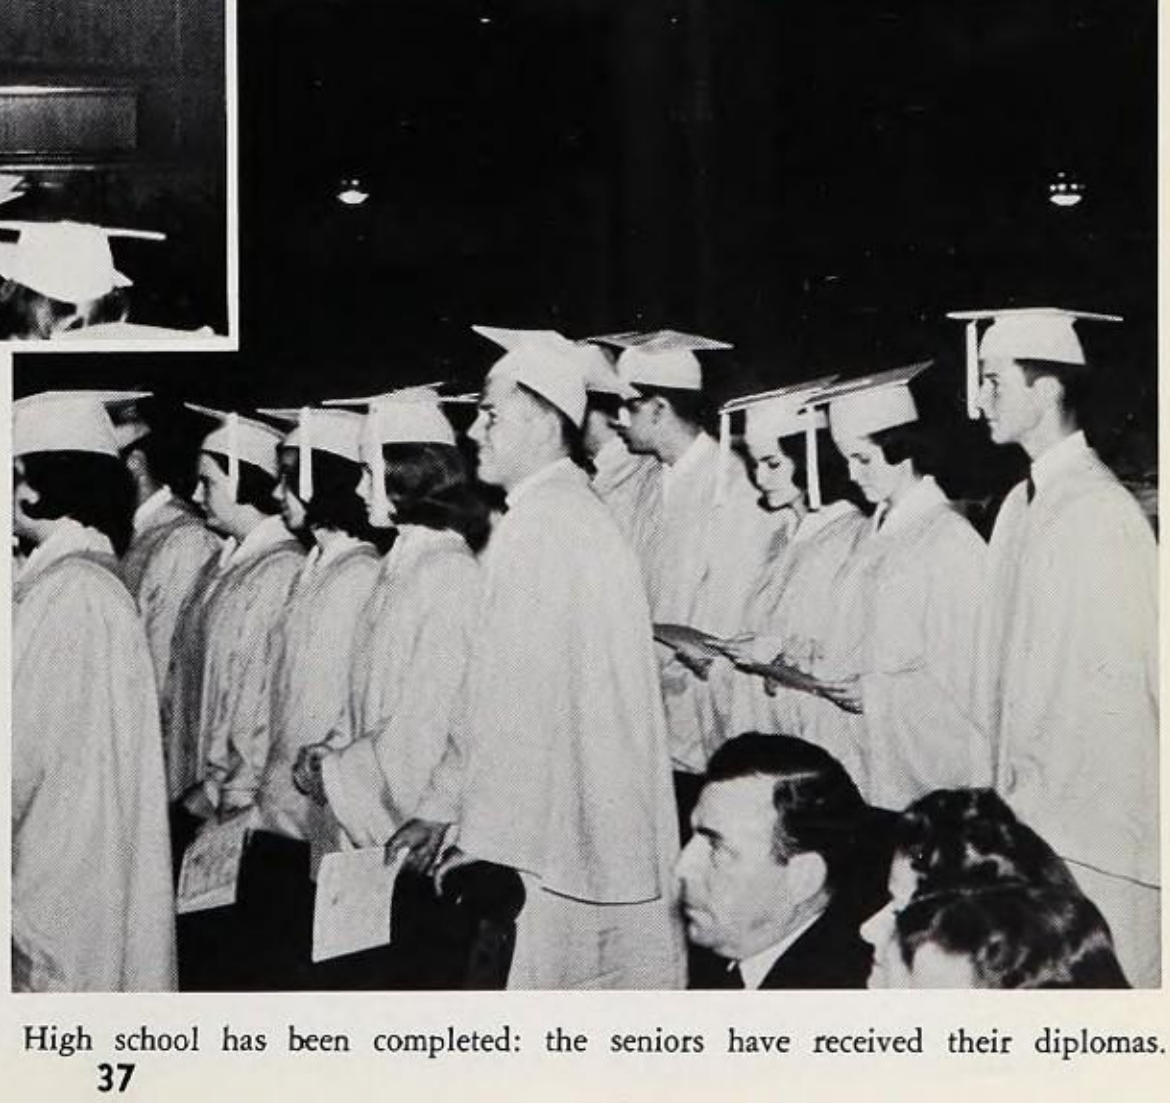


"Man! This would really make a tutf airplane!!"



"Hey, these robes only cost the school $2.98. How much did *we* have to pay?"





High school has been completed: the seniors have received their diplomas.

SEASON SUMMARY

Under Head Coach W. C. Treadway, the 1964 varsity compiled the best record of any other Jones team. The team won the city championship losing only one game on the way and went on to be Bi-district champs.

Jones started the season with a win over Waltrip, the defending city champs, 7-0. Then Jones whipped Milby, 21-8. Next came Baytown, 0-7. This was the one loss of the scheduled season. Jones tried hard to win but the clock ran out. Then came a big win over state-ranked Port Arthur, 22-21. Jones came home to beat Lee, 22-13.

Jones won district with a perfect record. The first and toughest opponent was Westbury, but they fell, 16-14. The team gave the student-body a Homecoming present by scalping the Lamar Redskins, 32-16. This year Jones broke the Bellaire jinx to beat Bellaire for the first time in the school's history, 13-6. Jones rolled over San Jac, 26-6, and then wiped out Austin 35-15 for district.

Jones beat Lee a second time for the city championship, 34-14, and then shocked Spring Branch, 13-7, for Bi-district. The long season came to an end with a 21-0 loss to Galena Park in the Quarterfinals.

Because of his fine work W. C. Treadway was named "Coach of the Year" by the sportswriters for a second time.

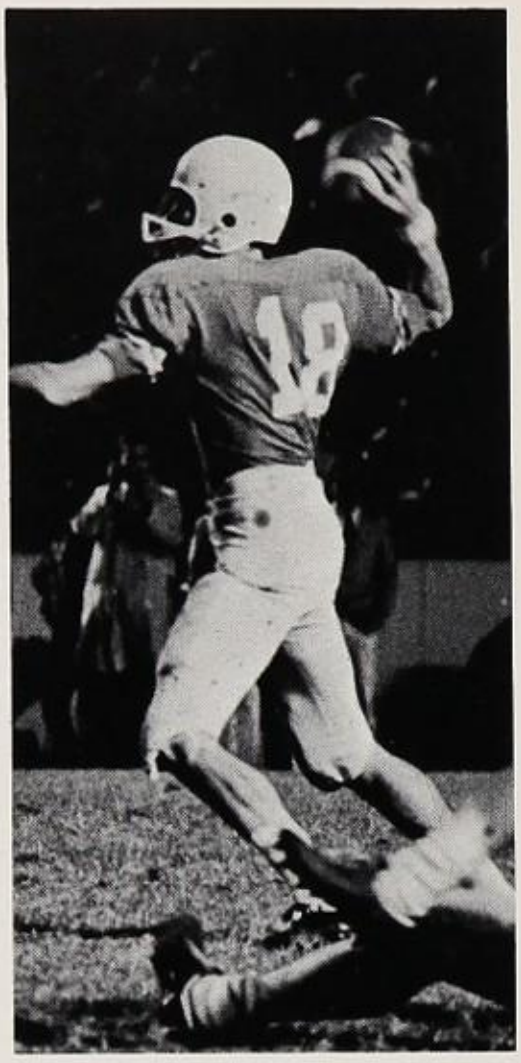
Falcons Upset Defending City Champs, 7-0



"Faster than a bullet . . . straighter than an arrow."

This win over the defending city champs showed Jones was good, but few people thought Jones would be the new city champs. In took the Falcons three quarters to score but Gary Brown ended a fifty-yard drive with a nine-yard plunge to paydirt. Teddy Caniff kicked the extra point to end the scoring.

Jones Rolls Over Milby, 21-8

Jones got their second victory with a 21-8 win over East-End rival Milby. Only half of the stadium lights were on for eleven minutes but this didn't bother Van Brown. On the first play from scrimmage, he threw a 57-yard TD pass. Jones did even better with the lights on. They scored two third quarter touchdowns for the win.

BAYTOWN NIPS JONES 12-7

Jones' one loss of the regular season came at Baytown. Jones scored the first time they had the ball. Tommy Maxwell ran for the TD and Teddy Caniff kicked the PAT, but Baytown held their lead to win.

JONES SHOCKS PORT ARTHUR

Jones' come-from-behind win showed Jones a state power. Jones took the lead but lost it 21-14. Then a Brown to Maxwell pass and a two point pass to Ronnie Pierce saved the game.

Jones continued their show of power with a win over tough Lee. Jones' only score 'til the fourth quarter was a field goal by Teddy Caniff. Behind 13-3, Jones decided to do something. On the first play of the fourth quarter Jones scored on a 61-yard pass play. Then came a 57-yard TD pass and then a short run to give the win. Now Jones was ready for district.

A Tough Falcon Defense Crumbles the Rebel Charge, 16-14

The Falcon boys seem to enjoy keeping the crowds on edge with close scores. Nevertheless, the Falcon team prevailed.

It was simply a case of too much speed as Van chalked up 110 yards rushing on 12 carries and 69 yards passing to pave the way. Teddy "Golden-Toe" Caniff bounced a 26-yard field goal off his foot in the 3rd quarter and Van flipped a nine-yarder to Steve Tunstall early in the fourth to finish it up. Rusty Clark also learned to think before speaking!

The Hitters Have a Scalping Party, 32-16

Bounding around on the football field like a bunch of (pardon the expression) wild Indians, the Falcons scored their fourth straight victory. Brown and Brown were the colors for the night as they scored all but one touchdown. Gary, who carried the ball 15 times for 70 yards scored three of them, one on a five-yard pass from Van. Van scampered across the two yard line for the final six points.

The Falcons took advantage of two Lamar mistakes to put their 1st thirteen points on the scoreboard, in the last three minutes of the 1st quarter.

Ted Scruggs and Donald McGraw combined to set up the first on the Redskin 20. Lamar's troubles were only beginning. The kickoff sailed in and out of the arms of a Lamar receiver. The Falcons then moved 61 yards in 5 plays. Wayne "Tolar" Morgan shot up the middle for the last 6.

An immovable force hits an irresistible object.

They Used the Trick and Got the Treat

Wayne Morgan makes "six".

Halloween turned out to be the lucky day for the Golden Falcons as they beat the Bellaire Cardinals for the first time in seven years.

Van Brown returned the opening kickoff 44 yards to the Card 42. In six plays the Falcons had scored. Wayne Morgan went over for the touchdown and Teddy Caniff made the point after. Van then moved the swift 11 sixty-two yards in seven plays for a second quarter six pointer. Tommy Maxwell went over from the five, but Teddy's kick was blocked leaving the score 13-0. Not to be denied, the mighty Bellaire Cardinals fought the Jones defense to put six points on the scoreboard.

The Falcons Put a Bear in Their Tank

The "brains of the bunch".

Van completed eight of eleven passes for 122 yards and two touchdowns and gained 62 yards in six attempts on the ground. Gary Brown carried for 39 yards in 17 tries.

The Falcons opened the scoring in the second period after a 19-yard punt return to San Jac's 21, by Gary. Van ended the drive of 21 yards on a touchdown pass of seven yards to Ronnie Pierce. The second score came with Van on a six-yarder.

Donald McGraw intercepted a pass to set up the next score. Two passes from Van, the first to Maxwell for 12 and then the bomb to George Cox for 37 yards and the score.

The final score was made on a 94-yard march taking only 7 plays. The Falcons stopped a Bear drive on their own six and with Van toting the ball 53 yards and completing a pass for 17 they moved to the four yard line. Tommy Maxwell rushed across for the score.

The Austin Mustangs Defeated!

The first four times the Falcons got the ball it went over the goal line. An amazed audience watched the score climb to 28-0 at the half. Gary Brown accounted for 3 touchdowns, Van made 2 points and threw to Tommy Maxwell for a touchdown, and Teddy Caniff kicked two extra points. Maxwell also made a 23-yard touchdown run. The Mustangs put 15 points on the board to make it 28-15.

On the first play from scrimmage Van Brown fired a direct hit to Tommy Maxwell cutting across the center. Tommy raced downfield fifty yards to the eleven yard line. On third-and-15 Van again found Tom across the middle for the touchdown.

Bill Atessis recovered a fumble on the Bear 48. Van flipped the ball to Steve Tunstall who carried it down to the twenty yard line. Mac Masters moved the pigskin seven yards on a draw play.

From there Van faked Masters and Gary Brown into the line and then calmly dashed across the goal for the 6 points. Teddy added his point and the Falcons had 13 points.

The Falcons Finally Meet Their Match

An estimated 20,000 people watched a tremendous football game when the Falcons met the Galena Park Yellow Jackets. Despite the results, the Falcons put up a very hard fight even up to the closing seconds when the score read Jones 0 Galena Park 21.

INFIELDERS

Fouls, Fun,

Over 400 girls took part this year in the Girls' Physical Education Department Intramurals.

Volleyball intramurals, held in December and January, attracted the most Falconettes. The Swimming intramurals, which consisted of relays, were held next. In February and March, basketball dominated the scene. Table Tennis and Badminton came next with birdies and balls everywhere.

To end the intramural program, which was the largest in the city, archery and softball intramurals were held in May.

The Jesse H. Jones Golden Falcon Band, under the direction of Mr. James L. Trevathan, is one of the hardest working organizations in school. In the fall band members put in many hours of work to perfect a pregame performance for every football game and to aid the Commodores by playing for their halftime ceremonies. They also play for various school functions. In the spring they turn their attention to contest work and to the selection of officers for the next year.

Co-ops is an organization of people who wish to support their team as a group. They encourage school spirit in the entire student body and faculty. During football season members make posters and sell ribbons for every game. They climax the season by sponsoring a banquet for the football team. Co-op activities do not end with the football season, however, for members also attend basketball games, baseball games, and all other sports events in which the school participates.

Some members sell milk, candy, and other items at the Snack Bar, while others work the cash registers in the cafeteria. Jones is very proud of its ROTC unit, and justly so. Some of the purposes of the organization are to form habits of orderliness and precision, to instill discipline and thereby respect for constituted authority, to develop patriotism and to encourage a high sense of personal honor and deportment.

The Cadets and their sponsors have the privilege of attending the Annual Military Ball, which is an outstanding social event of the school year. They are also in charge of the Jones annual Homecoming dance. Some of the other extracurricular activities in which the Cadets participate are ushering at rodeos and the Ice Capades, and in State and National competitions of both Rifle and Drill teams.

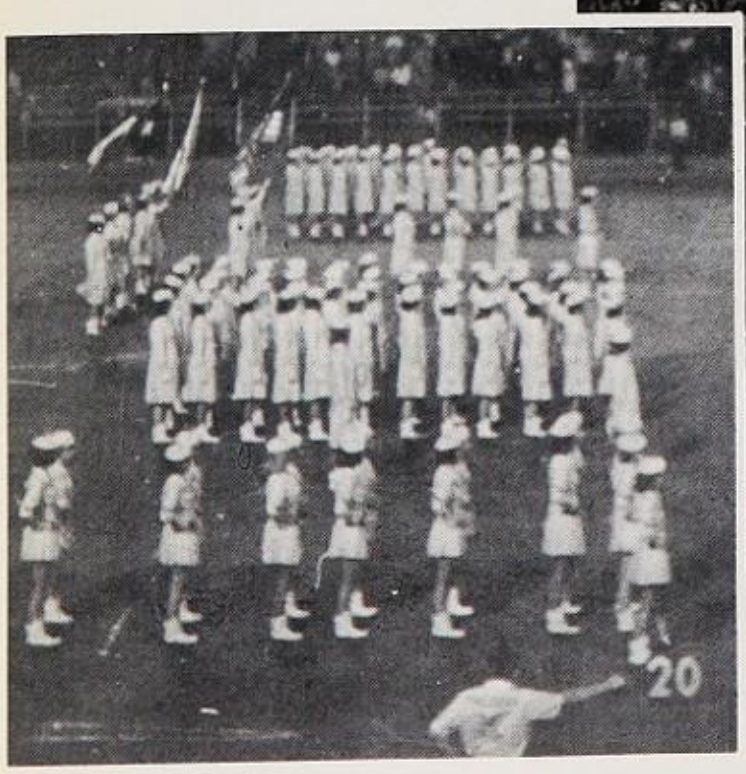
HONOR

LOVE

LOYALTY

These words, however small, are the mold of a Commodore. With the purpose of showing loyalty to all school activities, encouraging good scholarship and good conduct, and developing leadership and self-initiative, a Commodore goes through her daily activities.

ADMIRAL
Cathy Kellough



Cadence Commodores

Because supporting the school is her main function, the Commodore can be seen at any football game, performing at half-time, at any basketball or baseball game, cheering for the team. Representing the school, a Commodore appears in the performance for the Shriner's Pageant. She helps the city by participating in the Poppy Sale and other charity drives.

Guided by the sponsor, Mrs. Carol Helms, and Admiral Cathy Kellough, each Commodore shows great ability in leadership and good scholarship.

INTERNATIONAL CLUB

The members of this club join together to create attitudes of international interdependency, and desire for cultural interchange and peace. Their main goal is to understand the peoples of the world.

Eligibility for membership requires one to be taking a foreign language or to have taken one. Activities of these members include a Christmas party, a spring banquet, and writing to Korean "pen-pals."

Members enjoy themselves at the Christmas party.

Finalists in the 1964 Miss Houston Pageant.

SENIORS

Les Dix

One of the greatest honors a senior can earn while at Jones, is to be selected to Les Dix. Les Dix, the French term for "The Ten," is bestowed upon the ten outstanding seniors each year. They are selected with equal emphasis on scholastic ability, latitude of interest, cooperation, contribution to the student body and promise of future worth.

In 1962, the first year Les Dix were chosen, the members represented 3% of the Senior Class. But, since then, enrollment at Jones has increased, and Les Dix has come to represent a smaller percent of the Senior Class. This year's Les Dix represent only 1% of their Senior class.

The forty-five nominees were chosen by nomination by one of the major service organizations, the faculty, or by themes written by the students. Final selection of the members was made by a faculty panel composed of: Mrs. Caroline Ivy, chairman; Mrs. Eleanor Akers, Mrs. Kathryn Batek, Mrs. Renee Feeney, Mr. Larry Roberts, Mr. Ralph Teter, and Mr. James Trevathan.

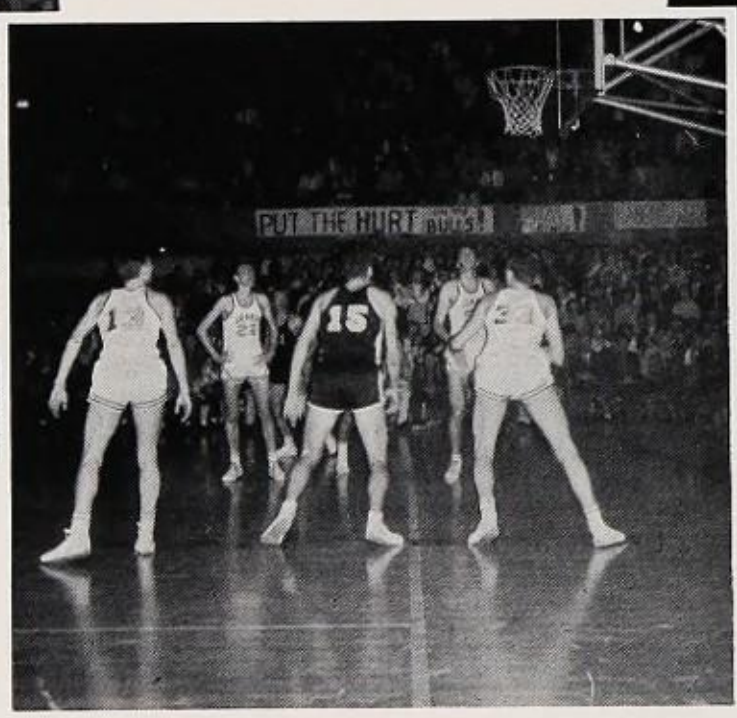
State Champions Are We!!

Principal Coy Mills proudly holds our school's first state championship trophy as Mrs. Ivy carefully inspects it.

The Falcon Giants move in.



Look, up in the sky . . .

". . . Do it again, we're bound to win."

And Lynn puts the ball into play as he prepares to add to our 106 point win!

Falcon supporters anticipate the big game.

Another year has passed in our great City . . . a year of successes and setbacks, of victories and defeats. Immediately we see an analogy between the City and our school. This year Jones has made remarkable achievements, both in scholarship and in athletics, and I would hope that our sights are set for even greater accomplishments in the future. Just as Houston architects and engineers have designs and plans for the city, so, we, too, must have aspirations and a goal in life that sometimes seem impossible to attain.

But the similarity does not end here; for not only is the City constantly changing its outward appearance, but it continues to build, tear down, and then rebuild anew the heart of its existence. In relation, we make, break, and renew friendships as we continue on our social climb. However, we should be careful to remain deviant from the urban attitude of impersonality and callousness toward those who are our peers.

It has been my privilege this year to work with a staff who put their "all" into the making of this book. A special note of recognition goes to Lynn Bellah, for her tireless efforts to help me bring the yearbook to completion. A special thanks also to Valerie King, Eleana Haskins, Judy Little, and Karen Scruggs.

In aspiring for my goal in life, I will search for the qualities of this staff in those I would desire to be my friends.

"New friends I cherish and treasure their worth.
But old friends to me are the salt of the earth."
